

BEGINNERS CLASS

The beginner pistol class is a basic three hour class based on what you need to know to get started with pistol shooting. Once you have completed this class you can decide for yourself if owning a firearm is right for you.

Classes are set up to teach you safety, firearm handling, firearm storage, how to choose the right firearm for you, and basic shooting fundamentals. We will spend time in the classroom and will finish up with some fun down at the range☺

Please bring safety glasses and hearing protection, as well as a positive attitude and willingness to learn & have fun!! Also, dress accordingly for the range (no open toed shoes or v-neck shirts). Firearms will be provided for you to use but you are also welcome to bring your own.

Class Fee including ammo is \$100.
