

ILLINOIS CONCEAL CARRY CLASS

SMOKIN' GUN WORX

FORRESTON, IL

Instructor: Dawn Wehunt

If you are looking at acquiring your Illinois concealed carry license this is the class for you. We will go over all of the basic firearm safety rules as well as proper shooting techniques, and Federal and State laws that go with having your CCL.

Illinois requires a two day course (unless you have a concealed carry permit for certain approved states only, are active duty/retired military, have your NRA Basic Pistol, or have a hunter's safety course, ask for details).

The first day we will cover all of the firearm safety and handgun basics. The second day we will cover all of the legal aspects. You will have a chance to test your knowledge on when to shoot and when not to shoot in our simulator before we head out on the range to qualify.

On Saturday please bring a pen and notepad for taking notes. On Sunday you will again need a pen and notepad, eye and ear protection, a holster or purse to draw from, your firearm, and a minimum of 30 rounds of ammo.
