

PROTECTION IN THE HOME WITH A HANDGUN

This four hour class will give you the knowledge, skills, and attitude you may need to defend your home. You will learn basic defensive shooting skills for responding to a violent confrontation.

This is not a beginner class. Participants must be competent with their firearm, have a FOID card and or CCW license, and have taken prior training.

Please bring your firearm, holster, 100 rounds of ammunition, eye and ear protection, and comfortable clothing to allow easy movement for bending & kneeling.

Cost \$100.
