

YOUTH FIREARM CLASS

AGES 8-17

AT

SMOKIN' GUN WORX

8785 N Baileyville Rd, Forresteron, IL 61030

815-938-3006

Instructor: Dawn Wehunt

If you have kids between the ages of 8-17 and would like them to have some formal instruction on firearm safety, firearm handling, and supervised range time, this class is for them.

Students will also have the opportunity to use the simulator to learn what it feels like to hold, shoot, and aim at video targets before going out on to the live fire range.

Please have them dress accordingly for the range (no open toed shoes or v-neck shirts).

Safety glasses and hearing protection required so please have them bring these along or they can be purchased in the store. Firearms and ammo will be provided for them in .22 caliber only. This will include rifles and handguns.

Class Fee including ammo is \$50.
